

Brownfields Grant Writing Workshop

U.S. EPA Region 4 will host a Brownfields Grant Writing Workshop for potential Brownfields Grantees for 2005.

Region 4 Brownfields Coordinators for the Assessment, Revolving Loan Fund, Cleanup Grants, and Job Training programs will be present to answer questions regarding each grant type. Come hear more about these grants from EPA. The State Brownfields Coordinator for the Georgia Environmental Protection Division (GA EPD) will also be present to talk about the state's program and Brownfields incentives.

Remember, developing a successful proposal takes time and patience. We highly recommend and encourage potential applicants to review the guidelines prior to the workshop. These can be found at the following website: <http://www.epa.gov/brownfields/>

When: October 21, 2004
 9:00am – 12:30pm

Where: Sam Nunn
 Atlanta Federal Center
 Conference Room B (2nd floor bridge level)
 61 Forsyth Street
 Atlanta, GA 30303

If you are planning to apply this year or for next year Brownfields funding opportunities, this workshop is recommended. No registration fee is required. You may register by emailing Olga Perry at perry.olga@epa.gov or via 404-562-8534. You may also contact Gwen Green at green.gwen@epa.gov or via 404-562-8637.
